

Lesson Plan Assessment: (Self Assessment or Teacher Assessed)

Criteria	Emerging	Developing	Proficient	Extending
Differentiation & Inclusion	Does not account for diverse learners	Some differentiation is shown but very limited	Differentiation is clear	Very adaptive, supports in place for diverse learners
Curriculum Alignment	Does not align with learning outcomes	Somewhat aligns with learning outcomes	Follows learning outcomes appropriately	Goes above and beyond just learning outcomes, extends the learning
Clarity & Engagement	Unclear or hard to follow	Somewhat easy to follow and engaging	Clear and organized; activities engage students.	Very clear, organized, and highly engaging

Here is a checklist teachers could use too to evaluate their AI generated rubric. This can be used as a summative assessment instead of or alongside the rubric.
